

Ahteshamul Hasan

Web Developer

Profile :-

Hey I am Ahteshamul Hasan. I love programming , so from 2023 I joined MARN In today's tech landscape, building web applications with the MERN stack (MongoDB, Express.js, React.js, Node.js) has become increasingly popular due to its flexibility, scalability, and performance. However, developing robust MERN stack applications requires adherence to best practices across various aspects of development. In this guide, we'll explore a comprehensive set of best practices to follow when creating MERN stack applications, ensuring efficiency, maintainability, and scalability throughout the development process..

Exprience :-

Front-End Developer !

Title :-

1. Created dynamic and interactive web pages using React.js, HTML5, CSS3, and JavaScript.
2. Worked closely with back-end developers to integrate RESTful APIs, enhancing the functionality and user experience.
3. Implemented responsive design principles to ensure applications were mobile-friendly.
4. Conducted code reviews and provided mentorship to junior developers.
5. Utilized Git for version control and collaborated with team members using Agile methodologies.

Education :-

Degree : Web Design & Development

Institute : Creative It Institute

Tech : MERN Stack Development

Year : Running .

Degree : Diploma In Engineering

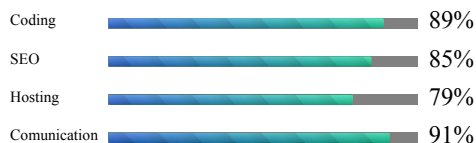

Institute : Sherpur Polytechnic Institute

Subject : Computer

Session : 2019 - 20

Result : CGPA - (3.30) Out of (4.00) .

Skill :-

Technical Skill :-

Languages :

HTML5

CSS3

JavaScript(ES6+)

Frameworks/Libraris :

React Js

Bootstrap

Tailwind CSS

Tools & Platforms :

Git & Github

Netlify

npm

Babel

Design Tools :

Figma

Adobe XD

Languages :-

English

Bangla
